

ENDEAVOUR

16-24 Student Guide

We are Endeavour

The Endeavour Faculty at Prior Pursglove College provides a fully inclusive, stimulating and structured environment in which students are provided with a wide range of opportunities and experiences to prepare them for life beyond college.

We will find a suitable and realistic personalised route for all students to help them develop their learning, whatever their individual starting point. We offer a wide range of courses to support our students for their next steps in education or employment.

In the Endeavour Faculty, every student is an individual!

Message from the Principal

“Hundreds of students learn and progress by joining our well established Endeavour Faculty and we hope that you will be inspired to join us.

Our learning programmes will help you to develop your skills and we pay particular attention to skills development and work preparation in all of our programmes of study.

You can be assured that the course you take with the Endeavour Faculty will provide you with a good quality experience supported by well-qualified teachers and support staff.

I am looking forward to seeing you in September.”

Asma Shaffi

Principal - Prior Pursglove and Stockton Sixth Form College

What we offer

Parents/carers/young people's meetings are available in a one-to-one setting at the college or virtually so you can find out more about our programmes.

We offer tours and centre visits and we also offer transition sessions where young people can try out lessons at Endeavour and build their confidence to become a college student. We offer good quality Information, Advice and Guidance identifying the best routes and progression for all students so they achieve their full potential.

If you work with students who are taking their next steps in education, you can commission us to deliver a programme of education to the students. Transition activities can be individualised to each group's needs.

To find out more about our study programmes or if you have any further questions and would like to come for a visit to the Endeavour Faculty, please contact:
