

We are Endeavour

The Endeavour Faculty at Prior Pursglove College is a friendly and inclusive environment for all students. We will give you a range of opportunities and experiences to prepare you for your next steps. We will help to develop your learning, confidence and skills.

In the Endeavour Faculty, every student is an individual!

Support

In Endeavour, all students are supported. There will be support in all of your classrooms and in break out spaces.

There is always a member of staff you can speak to who will support you with anything you need at Prior.

EHCP

If you have an EHCP, we will carry out a yearly review for us to discuss your progress and make new targets for the academic year.

We will always meet your needs at Endeavour!

Skills for Work

Maths and English

When studying Skills for Work, you will also need to study functional skills Maths and English at the right level for you. Your teachers will help choose which qualification is right for you.

Vocational Courses

As part of the Skills for Work pathway, you will study a vocational area that links with work experience opportunities and future employment. Some of the courses we offer are:

- Business and Retail
- Art and Photography
- Sport and Leisure
- Digital skills and IT
- Environmental and Horticulture
- Hospitality and Cooking

Work Experience and Enterprise

On this pathway, you are getting ready for the world of work, and we will help you to develop the skills you need to do this.

You will take part in a work experience opportunity in college and in the community.

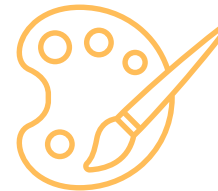

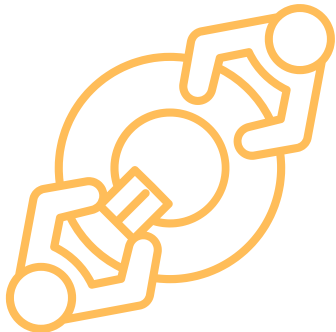

You will also complete enterprise projects in college and host events. You will be involved in all of the planning, and work with others, which are all skills you will need for the future.

All of these opportunities can be added to your CV.

Tutor

During the Skills for Work course, you will have a tutor who will work with you and support your needs while you are at college. They are there for you to talk to.

Enrichment

During this pathway, you will get the opportunity to take part in a range of different enrichment activities, including crafts, music, film, sport and many more.

This is an opportunity for you to meet new people from all different Endeavour classes, have fun and learn lots of new skills.
